Gai rabbits have several abilities.
This is the latter case.
Gai rabbits make use of the darkness that resides deep inside people's hearts.
Another ability is attaching onto a host's body and gaining control of it.

Then the Gai rabbit will feed on the darkness.
so the host's negative emotions will pile up.
Making the host do things that they usually will not do,
EH?
THEIR CLASSROOM SHOULD BE SOMEWHERE ELSE, SO WHY ARE THEY HERE?
THEY'RE STUDENTS FROM THE PRIMARY SECTION.
Office

EH...?
I CAN'T SEE ANYTHING?
IT'S NORMAL
Right?
YU-CHAN, YOU MUST BE READING TOO MUCH MANGA AND STARTING TO IMAGINE THINGS
No, I am not
BUT THAT'S TOTALLY IMPOSSIBLE IN REALITY
It will be difficult for you to capture a handsome boy
ARE YOU ALRIGHT?
Although I have no idea what's going on.

Both are methods to draw out the Cai rabbit's original form.
Alice-sama's method is to heal the darkness inside the host's heart.
While on the other hand, Mad Hatter-sama purposely lets the darkness grow.
swish

This is not sly at all! ♡

WHAT IS THAT! YOU'RE SO SLY!!
Alice,
THIS IS THE DIFFERENCE IN THE LEVELS OF FAVOURABILITY
Let's say for now, compared to Alice-sama, Mad Hatter-sama gets more supporters.
FOR THAT REASON!!?
That scene just now was very erotic, so the favourability towards you has increased.
